

Membership

Becoming a member of IWCF gives you a voice within the industry. We want your voice to be heard so we can continue to implement change and continue to raise the standard of well control training. Any company or individual within the oil industry with an interest in the continuing development of well control knowledge and skills can apply for Associate Membership.

When you join as a member you will be assigned to one of our 12 Regional Branches based on your geographical location. You can then raise any ideas and concerns you have with your Branch Chair to help drive continuous improvement within our industry.

The Application Process...

Complete and send your membership application to membership@iwcf.org.

When you receive your invoice from us, pay the membership fee.

We will issue your membership certificate, welcome pack and members login area details.

Once you are an approved member, you can apply to become an Accredited Training Centre. For more information on the accreditation process, please contact accreditation@iwcf.org
